Masons' Public Installation is Enjoyable Affair

Program and Refreshments Follow Impressive Evening Ceremonial

Informal in spirit but impressive as to ritual was the public installation conducted by Sequoit Lodge No. 827, A. F. & A. M., of Antioch Friday evening in the lodge rooms before a fair sized audience of lodge members, their families and friends.

Walter H. Solomon was installed as worshipful master to succeed Arthur Laursen by the Right Worshipful Brother Charles J. Whiteman of Grayslake, past master of Rising Sun Lodge No. 115.

The genial installing master was ably aided by impressive work of the Right Worshipful Brother Garfield Leaf, past master of Waukegan Lodge No. 78, and newly appointed district deputy grand master of the 21st Masonic district, state of Illinois, as installing marshal.

The installing secretary was the Worshipful Brother John C. Gaa, past master of Sequoit lodge, and the installing chaplain was the Rev. Warren C. Henslee.

Mrs. Elsie Hays was installing soloist and Mrs. Harriet Davis installing organist.

Glve Readings, Songs Christmas readings by Mrs. Alice Freeman and guitar and yodeling selections by Lila Daigaard, who was accompanied at the piano by Hans von Holwede, comprised the entertainment program, which received much applause.

Refreshments were afterward served in the dining room, where members of the refreshment committee were assisted by the wives of Masons.

Making up Master Solomon's staff of officers for the coming year are:

Elroy K. Anderson, S. W.; Joseph E. Horton, J. W.; Edmond R. Strang, treas.; Frank B. Huber, sec.; the Rev. Warren C. Henslee, chaplain; Homer LaPlant, S. D.; Ray Winslip, J. D.; Luster S. Badger, S. S.; George Kuhaupt, J. S.; Arthur Laursen, retiring master, M.; Emil R. Lubkeman, Tyler.

Antioch Wins Warren, Loses Wauconda Game

"Mixer" Follows Victory Over Warren Team Wednesday Night

Antioch Township High school won a "double-borried" victory over the Warren Township High school basketball team in a game Wednesday evening on the home floor.

A "mixer" dance under the auspices of the "A" club and the "Pep" club was held afterward in the auditorium, with visitors from Warren High as guests. The Antioch High dance band furnished music for the dancing, which lasted till 11 p. m. Punch and cookies were served.

In the Antioch-Wauconda game, the local lightweights took the first game from Wauconda, but the Antioch varsity lost in the second game.

The lightweights led throughout the game until the last quarter, when they began to trail by one point, but were saved in the last six seconds of play as Trieger sank a long throw to the basket to take back the victory for the Sequoils.

The Wauconda Bulldogs were outplayed in the first half of the heavy-weight game, but came back strong in the second half to tie the score at the three-quarter mark, 19-19. In a thriller finish during the last 30 seconds, however, Wauconda sank the basket which gave them the game, 23-21.

Conference Dec. 27-30 The Northwest Conference Christmas tournament will be held at Wauconda Dec. 27-30. Antioch will meet Wauconda Dec. 28 at 7:30 p. m.

Grass Fires are Cause of Many Local Alarms

Firemen Are Kept Busy Answering Calls to Various Localities

"Called out at 1:15 p. m., grass fire back of Louis Nielsen's Barbecue, Highway 59 and Grass Lake road; called out at 1:39 p. m., grass fire in Felter's subdivision, Lake Catherine; 3:45 p. m., grass fire east of Antioch High school; 4:45 p. m., grass fire broke out east of Antioch High school; 11:30 p. m., another grass fire near Nielsen's"—so, in substance read the reports of the Antioch fire department for Monday.

Grass fires, fanned by brisk winds, have kept the fire department "on the jump" throughout the past week.

Burn on Sunday, Too

Sunday afternoon, the firemen were called to the south end of Loon lake for a grass fire. They were also called out for a grass fire east of town, near the Soo Line tracks; for a grass fire at Little America resort at Klondike point on Grass lake, and the same evening, for a grass fire near Bert Ray's filling station, on the southwest corner at the junction of Highways 173 and 21, just south of Antioch.

Friday afternoon at 1:50 they were called to Russell, Ill., where a grass fire traveled 1,000 feet and set ablaze a chicken house on the E. A. Larson place, causing damages amounting, it was estimated, to \$150.

Tuesday was fairly quiet, with an alarm at 2:17 p. m., when the department went to Salem to assist the firemen there in extinguishing a fire in the William Schultz home.

Wednesday afternoon at 2:14 o'clock, steam arising from the roof of the building occupied by the Atlantic and Pacific Tea Company store brought an alarm and a crowd of interested spectators, who soon dispersed when it was discovered that the "smoke" reported was an optical illusion resulting from the sun shining on the steam.

This morning, the Antioch firemen were called to Russell at 9 o'clock for a fire at the home of L. H. Eddy. The roof was burned, but the rest of the house was saved.

While two trucks were still out on this call, another request was received from Salem, at 10:45 o'clock, to help fight another residence fire, but this call could not be taken, as it would leave Antioch without the protection of the No. 3 truck.

Chief Issues Warning

Fire Chief L. R. Van Patten has requested that care be taken to avoid dropping cigarettes and lighted matches into dry grass, where the brisk winds prevailing lately quickly fan them into a blaze.

He also asks that the dangers of over-heating furnaces and stoves, and of sparks from chimney fires or faulty flues be kept in mind.

The Antioch fire department and Rescue squad have received a gift of a turkey, sweet potatoes and cranberries from Edward Cohn, one of the owners of Cohn's Shoe store, Waukegan, for their part in helping to save the Cohn establishment from the blaze which destroyed the Hein building next door on Genesee street, on Thursday, Dec. 18. The Zion, North Chicago, Waukegan and Gurnee departments were similarly honored. The Great Lakes department already had its turkey provided for, it was stated.

The Antioch department will enjoy its turkey dinner in connection with its next regular meeting, Tuesday evening, Dec. 28.

Bowling Alleys Will be Closed All Day Friday

Antioch Recreation Will Be Open Dec. 25 at 1:30 O'Clock

The Antioch Recreation bowling alleys will be closed all day Friday, Dec. 24; it was announced today by Ken Ashe. They will open for bowling Saturday, Dec. 25, at 1:30 p. m.

Manager Louis Bauer, who has been ill for nearly a month, has returned home from Waukegan, where he was under hospital care, but is not expected to resume his regular activities as yet.

A three-game series between the Hans & Mabel's team and a Grayslake team, in which the Antioch bowlers came out ahead, was a feature Sunday, Dec. 19.

Wishing You a Joyous Christmas and New Year

Note to Last-Minute Shoppers—Remember Seals!

Last minute shoppers are urged by Mrs. Austin H. Niblack of Lake Forest, chairman of the Christmas Seal sale, to remember their Christmas seals this week.

Yesterday, Mrs. Niblack said, was the first day that receipts for this year have not exceeded those of last year. She is anxious that the county keep up the pace with which this year's sale began.

"We want to make that \$25,000 goal for Lake County this year," she said, "for we have a bigger job than ever to perform. The seals in themselves are little things that look gay on letters and packages at Christmas. But they are in reality big things for they are working all through the year when the Christmas things are packed away, helping to end the scourge that needlessly takes lives. Tuberculosis can be prevented and we want to see that it is."

Miss Orpha L. White, executive secretary of the Lake County Tuberculosis association, continues to rejoice in the letters that accompany contributions. A woman who will celebrate her 88th birthday on Christmas eve proudly sent in her dollar. Another woman sent a dollar, wishing it were more, but explained, "I am nearly blind and on a very small income." William Keeper, 11, of Waukegan invested 15c he earned doing a chore in Christmas seals.

"Every response is encouraging," Miss White said. "I know we will make our goal even if we have not been able to send out follow-up letters, due to lack of office help. I still want Lake county to take first place in the state-wide seal sale."

Antioch War Fund Campaign Reaches \$1,400

Still \$100 Short of Goal, Committee States as Campaign Closes

Antioch's National War Fund drive closed Wednesday with a total of \$1,400 already reported, Chairman Oscar E. Hachmeister states.

It is hoped by the chairman and his assisting committee that belated reports and gifts may bring the total up to the \$1,500 quota set for Antioch township.

Proceeds will be turned over to the National War Fund for the benefit of the U. S. O. and 18 other organizations.

Canvass Township Members of the committees in charge of canvassing for the drive included Walter Darnaby, Rudy Eckert, George Joedicke and George White. White was in charge of the canvassing in the township outside the village.

While the local drive was sponsored by the Antioch Lions club, other organizations of the community also gave it their support and contributed toward the fund.

Appreciation for all co-operation received during the campaign was expressed by the committee today through the chairman.

Music Groups of High School are Heard in Concert

Made up principally of Christmas music, the concert presented Monday evening by the Antioch Township High School chorus, dance band and symphonic band proved not only appropriate to the season, but highly enjoyable to the audience that filled to capacity the school auditorium.

A decorated and lighted Christmas tree helped to set the keynote for the affair, as also did "props" used by the various groups, including real sleigh bells for sound effects in some numbers, simulated chimes, and a Santa Claus costume worn by a soloist in one of the selections.

Proceeds to Red Cross

The program was sponsored by the High School Parent-Teacher association in co-operation with the school's music department. In a brief meeting of the P. T. A. preceding the program, Mrs. Irving Elms, president, welcomed those who had gathered for the concert. It was voted by the P. T. A. to purchase a Lake County Tuberculosis association "bond." Announcement was made that proceeds from the free-will offering received at the concert are to be turned over to the Red Cross.

The chorus opened the three-part program given under the directorship of Hans von Holwede. "Carol of the Roses," Kountz; "Father Christmas," Hopkins; "At Christmas," Cornelius; "The Chant Sublime," Bornschein, and "Carol of the Bells," Leonovich, were the choral numbers, all well presented and warmly applauded.

Bands Also Please

The dance band opened with Irving Berlin's "White Christmas," with Olga Himens as soloist—a selection which both band and singer apparently enjoyed presenting, and which the audience enjoyed hearing.

William Dow was disguised as "Santa" himself for the next number, "Santa Claus Is Coming to Town," Gillespie, and delighted youngsters in the audience by tossing out handfuls of goodies from his pack. Community singing by the audience provided a break in this group, which was closed with McHugh's touching "Say a Prayer for the Boys," featuring Myrtle Hardtke.

The band provided the "grand wind-up" to the concert with several selections, all rather light, pleasant to listen to, aptly chosen and well presented—"Goin' Home" from Dvorak's "New World Symphony"; "Panis Angelicus" Frank; Beneath the Holly Brockton; "March of the Toys," Herbert; "Sleeping Beauty," Tschakowsky; "Skaters' Waltz," Waldteufel; "Stars and Stripes Forever," Sousa, and "The Star Spangled Banner," in which the audience joined.

Joseph Mertes Dies at Pistakee Bay Home

Joseph Mertes, 78, who founded the Oak Park hotel at Pistakee Bay 50 years ago, died suddenly Friday morning, Dec. 10, at his home. He is survived by his widow, Helen, and four children, Charles and William of Pistakee Bay, Elsie Crivon of Balboa, Calif., and Edward of Chicago. Funeral services were held in McHenry Tuesday morning, Dec. 14, with burial in the cemetery at Johnsbury.

Antioch's Yule Celebration is Well Under Way

Christmas Treats at Schools, Chimes Help Spread Seasonal Cheer

Although Antioch's traditional exuberant celebration of Christmas is somewhat toned down this year in conformity with war-time conditions, there is still plenty of Yule cheer throughout the community.

Helping to make a joyful Christmas for the children is the village board's traditional "treat" for the young folks.

Rather than assemble the children at the village park for a Christmas party, as was done in pre-war times, the bags of candy, nuts and fruits were taken to the various schools.

In charge of the deliveries was James Stearns, assisted by Jack Flanagan.

Poulos Makes Gift

The 210 pupils of Antioch Grade school received their "treat" Wednesday morning; the Channel Lake, Grass Lake and Emmons schools Wednesday evening.

Deliveries were made to the Oakland school Dec. 18 and Hickory school Dec. 17. Miss West's school was also included this year.

In addition to the village board's gift, Ted Poulos of Ted's Sweet Shop donated 210 bags of candy to the grade school pupils.

The broadcasting of chimes, carols and other appropriate music over a loudspeaker system is being sponsored by the Antioch Lions Club.

The Christmas music broadcasts were started last Friday afternoon and are being held daily from 5 to 10 p. m. The services of William Bandt have been secured for furnishing the loudspeaker system.

Fox Lake Coach, Ill. Few Days, Dies Suddenly

Charles Kervin Stratton, 28, of Ingleside, athletic coach and instructor in history at Grant Community High school, passed away Saturday in St. Theresa hospital, Waukegan. His death was attributed to a toxicemic condition said to have resulted from remedies taken in an endeavor to cure himself of a cold he had contracted earlier in the week.

Stratton was well known here through bowling activities and also through business contacts as an insurance and real estate representative in the past.

He is survived by his wife, Frances, their two children, Judy, 4, and William John, one and one-half years; his mother, Mrs. Zula Stratton, a brother, William G. Stratton, and other relatives in this region.

Funeral services were held in the auditorium of Fox Lake Community High school Tuesday afternoon at 2 p. m., with the Rev. Verner Kilgren officiating. Burial was in the Garden of Memories cemetery at North Chicago.

John Wilcox Follows Wife In Death Wed.

Survives Orpha Wilcox by Only 17 Days; Life-long Township Resident

Surviving his wife, Mrs. Orpha Wilcox, by only 17 days, John Wilcox, 89, passed away at 1:50 a. m. Wednesday, at the home of a daughter, Mrs. Walter (Alida) Douglas, Villa Park, with whom they had resided. Mrs. Wilcox died Dec. 5, at the age of 82.

Funeral services are to be held Friday at 1 p. m. in the Strang Funeral home, Antioch, with interment in Hillside cemetery. The Rev. W. C. Henslee will officiate.

Was Retired Farmer The deceased, who was a retired farmer, had been a life-long resident of Antioch township.

He was born here Oct. 8, 1854 and was the son of Eliza and Levi Peter Wilcox, who were pioneer settlers.

Mr. and Mrs. Charles Oetting, Mr. and Mrs. Karl Oetting, Mr. and Mrs. Arthur Edgar and family and Mrs. Earl Elms of Palatine will be Christmas dinner guests of Mr. and Mrs. Irving Elms at their home on Orchard street.

The Antioch post office will be closed on Saturday, Christmas Day, Postmaster Roy I. Kufalk announces.

Ashes Make Poor Gunpowder

Under the stark title of "Ashes Make Poor Gunpowder," the fire insurance industry has released a booklet that cites a few of the activities the fire insurance companies are conducting in this war in addition to selling fire insurance. Heading those activities is fire prevention.

An army of fire prevention engineers maintained by the fire insurance industry and with years of training in scientific fire prevention, is now working to prevent fire destruction in vital war establishments. To protect the Army, an advisory fire protection bureau is maintained in the War Department at insurance company expense. A force of engineers is working full time on such projects as Army cantonments, training centers, hospitals, and supply depots. They are inspecting and preparing fire prevention standards for thousands of these projects—helping to save lives and speed the war effort. A similar bureau is serving the Navy. And with the Coast Guard at more than 100 ports throughout the country another group of engineers is helping to see that piers, wharves, and war material and equipment awaiting there for shipment are not damaged or destroyed by fire. Still another group is working to prevent fire in industrial plants. Back of all of them are vast research organizations supported by the insurance industry.

The full scope of the fire prevention work of insurance is as far flung as its value is immeasurable.

Worse Than Inflation

There are worse things than inflation. One is government tyranny, which can occur when people fear inflation more than they love freedom. We have reached the point in this country when fear of inflation is tending to force us toward tyranny. We may not be able to avoid inflation. It is the price of war. But we can avoid tyranny. The present rebellion against subsidies is an encouraging indication that the American people prefer to take their inflation straight. Subsidies would open the door to total government control of the private citizen.

The general attitude toward subsidies was aptly expressed by Fred H. Sexauer, President of the Dairy-men's League Cooperative Association, when he said: "The last bulwark of freedom of our independent farmers may fall if the plan of subsidy in place of fair price now in process of application is put over as a permanent program."

Subsidies are used to bring about compliance by individuals with bureaucratic demands. The broad powers placed in the hands of more or less irresponsible subordinates to write the conditions on which subsidy payments will be made leads to the temptation to include restrictions on individual activities and compel subservience in matters only distantly relating to subsidies themselves. Subsidies will not increase production to the extent that equivalent prices would.

CHRISTMAS

From all over the world today people are looking toward us. They know it is still a Merry Christmas in America, and they are glad. To our loved ones fighting on foreign soil and to our allies, we in America are the symbol of many peacetime Merry Christmases to come, of many Merry Christmases past. We are their assurance that the freedom they are fighting for cannot die, that there is hope for a better world tomorrow.

. . . They realize that here in America the holiday atmosphere, the laughter of children, the Christmas carols, the Christmas trees, the traditional turkeys and plum puddings are still a part of Christmas, and they feel more secure in that realization. They are thinking of us today and wishing us, here in the land of the Free, a Merry Christmas.

Supplying FOOD FOR VICTORY on the Farms of Northern Illinois

**YOUNG SOLDIERS ON THE
AMERICAN FOOD FRONT**

Boys and girls on Northern Illinois farms are at work producing food for American homes and our Armed Forces everywhere.

Growing up in the age where once tedious farm work is done mechanically, these young folks have learned to take full advantage of labor-saving, time-sav-

ing electricity. Power helps them do the milking, grind the feed and perform scores of other routine farm chores.

Yes, electricity helps these teen-age boys and girls to do an adult wartime job...helps them fill the shoes of brothers and sisters gone to war.

Electricity has gone to war...
don't waste it!

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

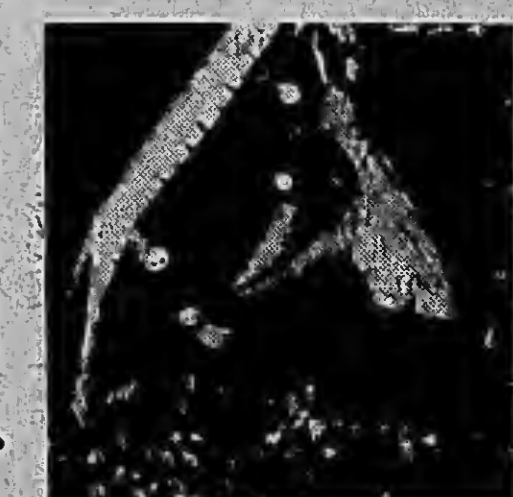

More Pork—High school farm shop classes boost hog production by building electric pig brooders for neighboring farmers.

More Vegetables—No dry spells ruin garden crops when there is plenty of water pumped electrically.

More Meat—Feed-grinding for livestock is a boy's chore that once took a lot of time. Now electricity does it.

More Poultry—Low mortality rates among chicks result when electric brooders do the raising.

The sermon at the midnight service is to be given by the Rev. George Slominski, of St. Mary's seminary, Mundelein. The Rev. Francis M. Flaherty will intone the solemn mass, assisted by Fr. Slominski and a deacon from the seminary.

TALK ON VOICE IMPROVEMENT, PARTY ENJOYED BY CLUB

Each person has potentialities of voice improvement that are seldom realized, Lucille La Chapelle of Chicago told members of the Antioch Woman's club in her talk, "You Are Better Than You Sound," at a meeting Monday afternoon in the home of Mrs. Adolph H. Kaufmann.

The expressiveness and even the tone of a person's voice may be improved through care and training, the speaker explained.

The speaker was introduced by Mrs. Einar Peterson, who acted as chairman for the program and who in turn was presented by Mrs. John Brogan, president.

An exchange of Christmas gifts was enjoyed and Christmas carols were sung by the club chorus.

Hostesses for the afternoon included Misses S. A. Jedele, W. C. Petty, Elmo Edwards, Adolf Simon, A. H. Kaufmann, and John Brogan.

Merry Christmas, everybody?

THIS YEAR, when you wish everybody Merry Christmas, think of the millions of American boys who aren't having such a merry time.

Think of the wounded soldiers in Italy, the half-frozen sailors on the Atlantic, the marines in Jap-infested jungles, the American captives behind Nazi barbed wire—

You'll find it a little easier to think about them if you're doing everything you can do to help the cause they're fighting for.

How can you help?

By buying extra War Bonds.

Buy extra Bonds for Christmas gifts.

Buy extra Bonds for the boys overseas.

Buy extra Bonds for yourself and your family.

And remember this:

Every time you buy an extra Bond, you not only help pay for the guns and ships and planes that these boys must have—you also help bring nearer the day when they, like you, can gather around the Christmas tree with their wives and children and mothers and sweethearts and friends and say, "Merry Christmas, everybody!"
